ABOUT US

CE Company Group specializes in creating inspiring spaces and high-impact business events that connect international industries with new markets. With expertise in strategic networking and market expansion, we design tailored events that bring together businesses, clients, and key industry partners to foster growth and collaboration.

We organize exclusive events in partnership with HR teams, as well as open industry events that connect leading businesses with their target audiences. Our experience spans multiple sectors, creating strategic spaces that drive engagement, well-being, and professional growth.

AESTHETIC CONNECT GOAL 2026

The goal of Aesthetic Connect: Germany 2026 is to help international aesthetic clinics expand into the German market by connecting them with potential patients and strategic partners. This is the second version of the event. Over three days, clinics will engage in patient consultations while also building key relationships with financing providers, travel agencies, insurers, and marketers to create sustainable growth opportunities.

Munich–Germany

24–25–26 July 2026

BOTH DAYS OPEN TO THE PUBLIC MAXIMIZING VISIBILITY

01

Meet with key partners (financing, travel assistance, and marketing,) to structure patient-friendly service packages

02

Direct consultations with pre-registered potential patients

WHAT'S IN IT FOR YOU?

01

◆ Patient Consultations: Meet and advise pre-qualified potential clients.

02

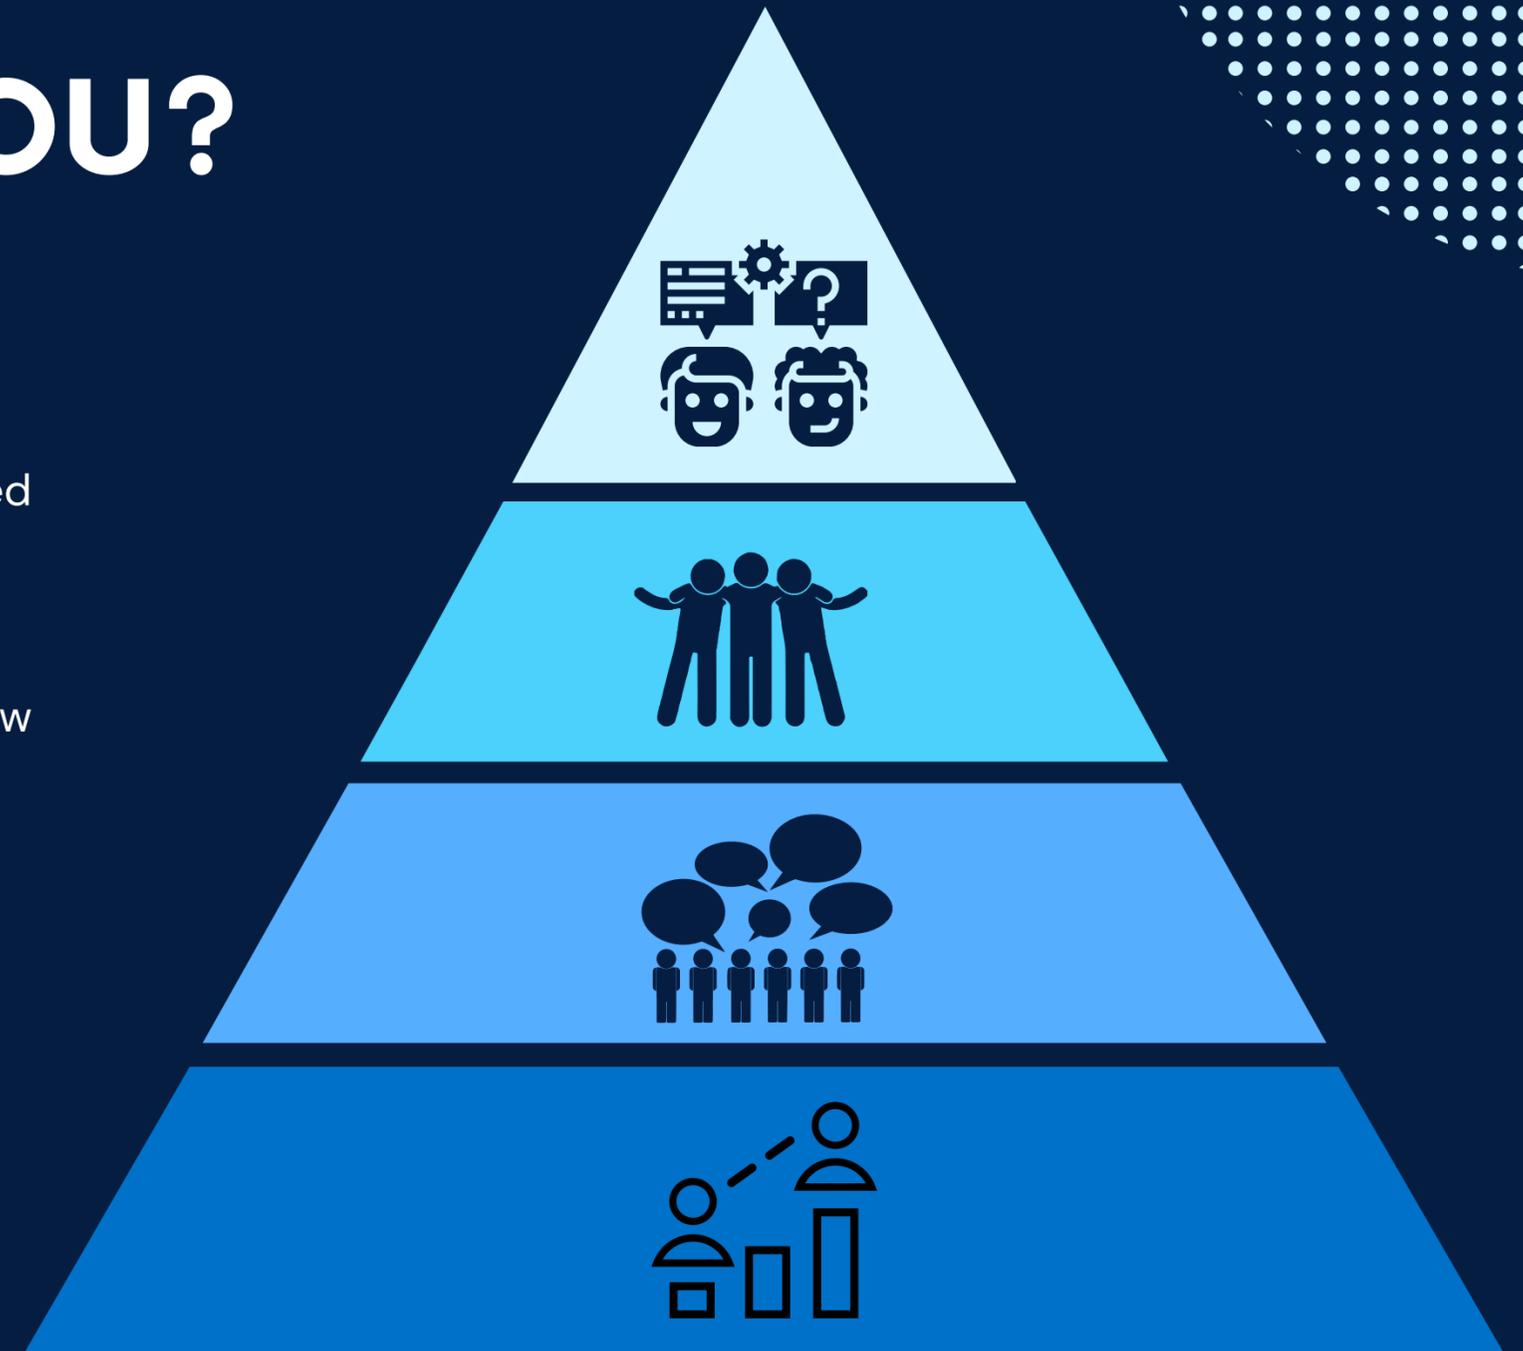

◆ Industry Connections: Build partnerships with marketing firms, travel agencies, and financiers to grow your international reach.

03

◆ Brand Visibility: Gain exposure through targeted marketing before and after the event.

04

◆ Business Growth: Convert event consultations into long-term patients.

MARKETING AND PROMOTION

Targeted Social Media Advertising

- Run highly focused ads on Instagram, Facebook, and TikTok to reach individuals interested in aesthetic procedures in Germany.
- Use geotargeting and interest-based segmentation to ensure engagement from relevant audiences.

Influencer & Partner Collaborations

- We have partner with local beauty and lifestyle influencers to create authentic content and boost event awareness.
- Engage with niche medical, wellness, and travel partners to cross-promote the event.

Corporate & Private Network Outreach

- Leverage our network of partners in the private sector and HR teams to promote the event at a corporate level.
- Integrate our strategic alliances into this initiative, ensuring visibility and engagement from professionals interested in aesthetic procedures.
